Dear Dunc,

How nice to hear from you. During Bill's and my brief stay in Owensboro, we both came away with a real admiration for your city and all it has to offer. We had a delightful but busy couple of days with this Golden Plate organization.

Sorry there wasn't time for a real visit. If the Golden Plate ever comes back and I participate again, I will hope to be able to say hello.

All the best.

Yours,

Dear Stan:

Who would have thought that the Amherst class of 1945 was to provide leadership for the CIA as well as the FBI, and that you both would be in Owensboro, Kentucky for an occasion like this.

My wife and I have lived here since July, 1953. Our son just graduated from Centre College, Danville, Kentucky (the local Amherst) and our daughter will be a senior in High School.

We shall watch you on television Saturday (Evansville PBS) and we both look forward to seeing you in 1980 at Amherst for our 35th.

Truly yours,
